

Ho-Ho dessert:

- *25 individually wrapped Ho-Ho's (2.5 boxes)
- *2 small & 1 large packages of instant pudding - chocolate
- *1/2 package of shortbread cookies
- *1 tub of cool whip

1. Unwrap and cut the Ho-Ho's in half (this will make it easier to serve)
2. Arrange the half Ho-ho's in the bottom of a rectangular baking dish.
3. In a separate bowl, crush the cookies into crumbs/small chunks - set aside.
4. Mix up the large package of pudding according to the directions on the package.
5. Using a ladle or measuring cup, pour the pudding over the layer of Ho-Ho's. If the Ho-Ho's aren't covered, by the pudding, mix up an additional smaller box and add this as well.
6. Before the pudding has set up, sprinkle a layer of cookie crumbs over the pudding.
7. Use the remaining pudding to cover the cookies.
8. Cover and let set-up in the fridge
9. Once the pudding has set-up, layer with cool whip. Chill until ready to serve.
